Introduction

The following policy framework supports a governance model that is strategic rather than operational and meets the expectations of effective governance.

To ensure effective school performance, the Tararua College board is committed to maintaining a strong and effective governance framework that incorporates legislative requirements and good practice.

Model of Governance

The following are the board's agreed governance and management definitions which form the basis upon which both the working relationships and the board's policies are developed.

Governance	Management
<p>The ongoing improvement of student progress and achievement is the board's main focus.</p> <p>The board acts in a stewardship role and is entrusted to work on behalf of all stakeholders. It is accountable for the school's performance, emphasises strategic leadership, sets the vision for the school and ensures compliance with legal and policy requirements.</p> <p>Board policies are at a governance level and outline clear delegations to the principal. The board and principal form the leadership, with the role of each documented and understood. The principal reports to the board as a whole with committees used when a need is identified in order to contribute to board work.</p> <p>The board is proactive rather than reactive in its operations and decision making and does not involve itself in the administrative details of the day to day running of the school.</p>	<p>The board delegates all authority and accountability for the day-to-day operational organisation of the school to the principal who must ensure compliance with both the board's policy framework and the law of New Zealand. [For detail see Operational Policies]</p>

In developing the above definitions for Tararua College the board refers to the following excerpts from the Education Act 1989 (revised 19th May 2017)

DESCRIPTION OF SCHOOL

Tararua College is a co-educational rural high school of 400 students catering from years 9 to 13. Situated in Pahiatua, Tararua College students enjoy the benefits of close relationships within a smaller school, along with access to a broad range of learning opportunities. There is an Alternative Education programme and a growing bicultural and whānau approach to education.

Students are encouraged to follow courses of study designed to promote and foster individual needs, strengths and possible career paths, whilst also keeping their future options open. They are viewed as talented individuals who have the ability to become positive, responsible and constructive citizens.

There is an increasing focus on integrated learning throughout the College. Gateway is provided for Year 12 and 13 students with 20 places available in 2021. Other students enjoy work experience and a variety of courses to help them decide on a future career. Dual Pathways courses are also offered allowing students to work in industry or tertiary settings for part of the week.

There is continued focus to significantly develop the role of primary industries within the College. This will be fully integrated with our 25 acre school farm. Students are also involved in the Primary Industries Training Organisation (PITO) programmes through dual pathways.

During 2021 there will be further development of the High Performance Academy which supports talented students in academic, cultural and sporting areas to reach excellence. 11. The Relationship between the Board and the Principal Policy

The performance of the school depends significantly on the effectiveness of this relationship therefore a positive, productive working relationship must be developed and maintained. The board and the principal form the leadership team and as such clear role definitions have been developed. The Responsibilities of the Principal and Responsibilities of the Board policies along with the Code of Behaviour should be read alongside this policy.

1. This relationship is based on mutual respect, trust, integrity and ability.
2. The relationship must be professional.
3. The principal reports to the board as a whole rather than to individual trustees.
4. Day to day relationships between the board and the principal are delegated to the chair.
5. All reports presented to the board by the staff (unless specifically requested by the board) are tabled with the principal's approval and the principal is accountable for the contents.
6. There are clear delegations and accountabilities by the board to the principal through policy.
7. The two must work as a team and there should be no surprises.
8. Neither party will deliberately hold back important information.
9. Neither party will knowingly misinform the other.
10. The board must maintain a healthy independence from the principal in order to fulfil its role. The board is there to critique and challenge the information that comes to it, acting in the best interests of students at the school.
11. The principal should be able to share their biggest concerns with the board.

12. Principal's Performance Management Policy

It is the policy of the Tararua School Board of Trustees to establish a performance agreement with the principal and review the principal's performance every year. The objective is to ensure that every student at the school is able to attain his or her highest possible standard in educational achievement.

1. The review process will provide a written record of how the principal has performed in terms of the performance agreement and identifying professional development needs.
2. The principal's performance will be formally reviewed on an annual basis by duly delegated member(s) of the board. At the board's discretion, an independent consultant who specialises in education may be appointed.

3. Those delegated or contracted to perform the review process shall have written formalised instructions specifying the responsibilities of the role.
4. There will be three interim reviews, one each term preceding the annual formal review, between the principal and chair or delegate(s).
5. The principal will be reviewed on the criteria set forth in the performance agreement, performance objectives, professional standards, learning and development objectives and fulfilment of additional duties which require concurrence payment.
6. If the principal and the board disagree on the performance objectives, the board, after considering the principal's input, will amend the disputed objectives or confirm the unchanged objectives. The board's decision will be final.
7. The board chair, delegate(s) and consultant may gather information from staff, parents, or any other relevant members of the larger school community who can provide feedback on how the principal has performed. Evidence may include surveys, self-review, teaching observation (if relevant), interviews, focus groups or documentary evidence and can be accessed by the principal on request.
8. The principal and delegate(s) will meet for a formal interview to discuss whether the performance agreement has been satisfied with the principal given the opportunity to discuss and comment on each criterion before a rating is given. The results will then be drafted into a report by the delegate(s) and sent to the principal. The principal can accept the report or dispute the report. If the report is disputed, the delegate(s) will consider the principal's views before deciding to either amend the report, in accordance with the principal's views, or let the report stand, with the principal's comments attached.
9. The chair/delegate(s)/consultant will present the final report/summary back to the board. The principal may/may not attend the presentation and will have the opportunity to address the board. The principal will then exit and further discussion may continue among the board.
10. The principal will be informed personally and in writing of the final outcome following the report discussion.
11. The performance agreement and results of the review are confidential to the principal, the board and their agents unless both parties agree to wider distribution.

14. Meeting Process Policy

The board is committed to effective and efficient meetings that are focused at governance level. The meeting will provide the information the board needs to be assured that all policies, plans and processes are being implemented and progressing as planned.

Meetings:

1. Are based on a prepared agenda. The agenda preparation is the responsibility of the chair. The agenda of the open session will be advertised via school communication links and made available for the public at the meeting.
2. Are held with the expectation that trustees have prepared for them and will participate in all discussions at all times within the principles of acceptable behaviour.
3. Have the right, by resolution, to exclude the public and news media from the whole or part of the proceedings in accordance with the Local Government Official Information and Meetings Act. Decisions by the board are fully recorded but remain confidential.

The board needs to:

- make the reasons for excluding the public clear
 - reserve the right to include any non-board member it chooses
4. Can be held via audio, audio and visual, or electronic communication providing:
 - all trustees who wish to participate in the meeting have access to the technology needed to participate, and

15. Meeting Procedure Policy

Members of the school community are encouraged to take an active interest in the school and its performance and are welcome to attend all board meetings within the *Public Attending Board Meetings Procedure* page 26.

General:

- Meetings are held as per the board work plan with dates confirmed each December for the following year.
- Board minutes will be taken by the principal's secretary who shall be paid a general trustees meeting fee.
- The quorum shall be more than half the members of the board currently holding office.
- Only apologies received from those who cannot be present must be recorded. Trustees who miss three consecutive meetings without the prior leave of the board cease to be members. An apology does not meet the requirement of prior leave. To obtain prior leave a trustee must request leave from the board at a board meeting and the board must make a decision.
- The chair shall be elected at the first meeting of the year except in the triennial election year where it will be at the first meeting of the newly elected board.
- The chair may exercise a casting vote in the case of equality of votes, in addition to his/her deliberative vote.
- Any trustees with a conflict or pecuniary interest in any issue shall not take part in any debate on such issues and may be asked to leave the meeting for the duration of the debate. A pecuniary interest arises when a trustee may be financially advantaged or disadvantaged as a result of decisions made by the board. A conflict of interest is when an individual trustee could have, or could be thought to have, a personal stake in matters to be considered by the board.
- Only trustees have automatic speaking rights.
- The board delegates [and minutes] powers under Schedule 6, clause 17 of Education Act to the Disciplinary Committee.
- The board delegates [and minutes] authority to the deputy principal in the times of absence of the principal.

Time of meetings:

- Regular meetings commence at 5.30pm and conclude at a reasonable time.
- A resolution for an extension of time may be moved but will not normally exceed 30 minutes.
- Any business remaining on the agenda at the conclusion of the meeting is transferred to the following meeting.

Special meetings:

- A special meeting may be called via an email to the chairperson supported by at least one third of trustees currently holding office.

Exclusion of the public:

- The meeting may, by resolution, exclude the public (going into committee) and news media from the whole or part of the proceedings in accordance with the Local Government Official Information and Meetings Act unless specifically asked to stay. The wording to be used in the motion to exclude the public is found in Schedule 2A of that Act. Excluding the public is most often used to ensure privacy of individuals or financially sensitive issues.

Public participation:

- The board meeting is a meeting held in public rather than a public meeting.
- Public participation is at the discretion of the board.
- Public attending the meeting are given a notice about their rights regarding attendance at the meeting. *Public Attending Board Meetings Procedure*

Motions/amendments:

- All motions and amendments moved must be seconded unless moved by the chair.
- Motions and amendments once proposed and accepted may not be withdrawn without the consent of the meeting
- No further amendments may be accepted until the first one is disposed
- A matter already discussed may not be reintroduced at the same meeting in any guise or by way of an amendment

Tabling documents

- When written information is used in support of a discussion, it should be tabled so that it can be examined by those present. It then forms part of the official record.

Correspondence

- The board should have access to all correspondence. Correspondence that requires the board to take some action should be photocopied/scanned and distributed prior to the meeting. Other correspondence can be listed and tabled so that trustees can read it if required.

Termination of debate:

- All decisions are to be taken by open voting by all trustees present.

Lying on the table

- When a matter cannot be resolved, or when further information is necessary before a decision can be made, the matter can be left unresolved for future discussion.

Points of order

- Points of order are questions directed to the chair which require an answer or a ruling. They are not open to debate and usually relate to the rules for the running of a meeting.

Suspension of meeting procedures:

- The board's normal meeting procedures may be suspended by resolution of the meeting.

Agenda:

- Agenda items are to be notified to the chair 7 days prior to the meeting
- Late items will only be accepted with the approval of the board and in rare circumstances where a decision is urgent
- The order of the agenda may be varied by resolution at the meeting.
- All matters requiring a decision of the board are to be noted on the agenda.
- All items in the agenda are to carry a recommended course of action and where appropriate be supplemented by supporting material.
- The agenda is to be collated with the agenda items placed in the agenda order and marked with the agenda number.
- Papers requiring reading and consideration will not normally be accepted if tabled at the meeting.
- Papers and reports are to be sent to the board at least 6 working days before the meeting.

Minutes

- The principal is to ensure that secretarial services are provided to the board.
- The minutes are to clearly show resolutions and action points and who is to complete the action.
- A draft set of minutes is to be completed and sent to the chair for approval within 5 working days of the board meeting before being distributed to trustees within 10 working days of the meeting.

Alcohol will not be consumed on school property when the school is open for instruction.

The school sometimes runs and hosts social events where the consumption of alcohol on school property may be appropriate. With the prior approval of the principal, alcohol may be consumed by staff and invited guests at least half an hour after school is closed for instruction.

Host Responsibility

The overall responsibility for the implementation and supervision of this policy rests with the manager in charge of the occasion. At any school event that involves alcohol being served, a staff member is designated to ensure that the policy is adhered to.
